Dear Kyle,
As agreed, I'm going to pick you up at Heathrow airport tomorrow at 9:45 a.m. with my wife, our fifteen-year-old daughter and our six-year-old son.
I have attached a photo to help you recognize us at the airport. In this photo I'm on the right next to my daughter Sharmila, who is the dark-haired girl at the back. My father's holding our son Jawad and you can see Neelam, my wife, on the left. The black-haired girl in front is Sharmila's cousin, Niral! She might come with us tomorrow.
Looking forward to seeing you. Have a good flight.
Asad Patel
