

Wednesday 4th September

(the fourth of)

Back to School

Yesterday it was a special day, the day **when** we come back to school, **so** we saw a video **which was** made / shot by Mollie Elisabeth and posted on her Youtube channel.

She did that video called 'Tips for Year 7' to (in order to) comfort, cheer (up) her little brother who was afraid of(scared , nervous)starting a new school year, in a new school in year 7.

She is giving advice to all year 7 (6e) -

1st / First 'Be happy , don't be late, be positive, do your homework, stay calm , work hard and have fun, don't be scared , just be yourself, don't worry, everything's great!

She finishes saying / To conclude she says 'That's all for now' she thanks people for

Watching and she asks them to like subscribe and comment on her channel and says bye!!!
