

In two days it will be a special day, a day when there was a terrorist attack in New- York City on the eleventh of September 2001. Two planes were hijacked by terrorists and crashed into the World Trade Center.

## Back to School

### Describe the documents

This document is a poster *where* I can see the British flag in the background.

It's made up of three flags: the English flag , the Northern Irish Flag and the Scottish flag.

The United Kingdom is composed of Wales, England, Northern Ireland and Scotland.

However(cependant) we can't see the Welsh flag.

In the foreground , there is a saying (expression) *which says* "KEEP CALM AND ACCEPT THAT HOLIDAYS ARE OVER".

It's written into Capital letters and 'accept that' (which is right in the middle) is smaller.

That's a funny/ironical way to say that it's difficult to accept that Holidays are over.
